

Hi,

I'm supposed to do a little 'intro' type thing. You'll probably get to know more about me by reading my posts but i'll tell you a few things now:

1. Native San Diegan.

2. Love listening to, playing and producing music. (i really wish we had a good place for bands in NP proper still ((Bar pink is great, but i lament the loss of a place where you could go any nite and see some great touring band for free)))

3. Love food, cooking or going out. (i've heard "you're eating, again?" more than a few times.) I'm not vegan, but i try. (Dang hamburgers)

4. I'm not scared of a drink or 2 in a dirty dive...not really a fan of the wannabe 'lounge' or beach bars.

5. I love to travel. (just to say 'well back in SD it's probably 72 degrees')

6. my grammar sux and (puns are the highest form of humor.)

Anything else you want to know?

love,

ROb
